PRAYER

हम को मन की शक्ति देना, मन विजय करे

दूसरों की जय से पहले खुदको जय करें...॥धृ॥

भेद-भाव अपने दिल से, साफ़ कर सकें

दोस्तों से भूल हो तो माफ़ कर सकें

झूठ से बचे रहें, सच का दम भरें ।

दूसरों की जय से पहले ॥१॥

मुश्किलें पड़े तो हम पर इतना कर्म कर,

साथ दे तो धर्म का चले जो धर्म पर

खुद पे हौसला रहे बदी से ना डरे ।

दूसरो की जय से पहले खुदको जय करें ॥२॥

हम को मन की शक्ति देना, मन विजय करें ।

दूसरों की जय से पहले खुदको जय करें ।

हम को मन की शक्ति देना ।

WE SHALL OVERCOME

We shall overcome, we shall overcome.

We shall overcome, someday

O deep in my heart, I do believe

We shall overcome, someday

We shall live in peace, we shall live in peace.

We shall live in peace someday

O deep in my heart, I do believe

We shall live in peace someday.

We shall walk hand-in-hand

We shall walk hand-in-hand

We shall walk hand-in-hand someday

O deep in my heart, I do believe

We shall walk hand-in-hand someday

THERE SHALL BE SHOWERS OF BLESSINGS....

There shall be showers of blessings.

This is the promise of love.

There shall be seasons refreshing.

Sent from the savior above.

Showers of blessing, showers of blessing we need.

Mercy drops round us are falling, but for the
showers we plead.

There shall be showers of blessings

If we but trust and obey

There shall be seasons refreshing

If we let God have his way

तेरा इन्सान घबरा रहा ।

हो रहा बेखबर कुछ न आता नजर

सुख का सूरज छिपा जा रहा ।

हे तेरी रोशनी में जो दम,

तू अमावस को कर दे पूनम,

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

जब जुल्मों का हो सामना,

तब तू ही हमें थामना ।

वो बुराई करें हम भलाई करें,

नहीं बदले की हो कामना ।

बढ़ उठे प्यार का हर कदम,

और मिटे बैर का यह भरम ।

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

Calculating average, interest (simple and compound), creating pictographs, drawing pie chart, bar graphs, calculating central tendency; visualizing graphs (straight line, circles and parabola using real time data)

Suggested practical using spread sheet

1. Plot the graph of functions on excel; study the nature of function at various points, drawing lines of tangents;
2. Create budget of income and spending;
3. Create compare sheet of price, features to buy a product;
4. Prepare best option plan to buy a product by comparing cost, shipping charges, tax and other hidden cost;
5. Smart purchasing during sale season;
6. Prepare a report card using scores of last four exams and compare the performance;
7. Collect the data on weather, price, inflation, and pollution. Sketch different types of graphs.

Guideline for Investigatory Project

The aim of the class project is to create something that is tangible and useful using Python/ Python and SQL connectivity. This should be done in groups of two to three students and should be started by students at least 6 months before the submission deadline. The aim here is to find a real world problem that is worthwhile to solve.

Students are encouraged to visit local business and ask them about the problems that they are facing. For example, if a business is finding it hard to create invoices for filling GST claims, then students can do a project that takes the raw data (list of transactions), groups the transactions by category, accounts for the GST tax rates, and creates invoices in the appropriate format. Students can be extremely creative here. They can use a wide variety of Python libraries to create user friendly applications such as games, software for their school, software for their disabled fellow students, and mobile applications, of course to do some of these projects, some additional learning is required; this should be encouraged. Students should know how to teach themselves.

The students should be sensitized to avoid plagiarism and violations of copyright issues while working on projects. Teachers should take necessary measures for this.

1. No chapter wise weightage. Care to be taken to cover all the chapters
2. Suitable internal variations may be made for generating various templates keeping the overall weightage to different form of questions and typology of questions same.

Choice(s):

There will be no overall choice in the question paper.

However, 33% internal choices will be given in all the sections.

INTERNAL ASSESSMENT	20 MARKS
Periodic Tests (Best 2 out of 3 Tests Conducted)	10 Marks
Mathematics Activities	10 Marks

Note: For activities NCERT Lab Manual may be referred

Conduct of Periodic Tests:

Periodic Test is a Pen and Paper assessment which is to be conducted by the subject teacher. The format of periodic test must have questions items with a balance mix, such as, very short answer (VSA), short answer (SA) and long answer (LA) to effectively assess the knowledge, understanding, application, skills, analysis, evaluation and synthesis. The subject teacher will have the liberty of incorporating any other types of questions too. The modalities of the PT are as follows:

- a) **Mode:** The periodic test is to be taken in form of paper-pen test.
- b) **Schedule:** In the entire Academic Year, three Periodic Tests in each subject may be conducted as follows:

Test	Pre Mid-Term (PT-I)	Mid-Term (PT-II)	Post Mid-Term (PT-III)
Tentative Month	July-August	November	December-January

This is only a suggestive schedule and schools may conduct periodic tests as per their convenience. The winter bound schools would develop their own schedule with similar time gaps between two consecutive tests.

- c) **Average of Marks:** Once schools complete the conduct of all the three periodic tests, they will convert the weightage of each of the three tests into ten marks each for identifying best two tests. The best two will be taken into consideration and the average of the two shall be taken as the final marks for PT.
- d) The school will ensure simple documentation to keep a record of performance
- e) **Sharing of Feedback/Performance:** The students' achievement in each test must be shared with the students and their parents to give them an overview of the level of learning that has taken place during different periods. Feedback will help parents formulate interventions (conducive ambience, support materials, motivation and morale-boosting) to further enhance learning. A teacher, while sharing the feedback with student or parent, should be empathetic, non- judgmental and motivating. It is recommended that the teacher share best examples/performances with the class to motivate all learners.

Assessment of Activity Work:

Throughout the year any 10 activities shall be performed by the student from the activities given in the NCERT Laboratory Manual for the respective class (XI or XII) which is available on the link : <http://www.ncert.nic.in/exemplar/labmanuals.html> A record of the same may be kept by the student. An year end test on the activity may be conducted at the School Level.

The weightage are as under:

- The activities performed by the student through out the year and record keeping : 5 marks
- Assessment of the activity performed during the year end test : 3 marks
- Viva-voce : 2 marks

Guideline for Investigatory Project

The aim of the class project is to create something that is tangible and useful using Python/ Python and SQL connectivity. This should be done in groups of two to three students and should be started by students at least 6 monthsh before the submission deadline. The aim here is to find a real world problem that is worthwhile to solve.

Students are encouraged to visit local business and ask them about the problems that they are facing. For example, if a business to finding it hard to create invoices for filling GST claims, then students can do a project that takes the raw data (list of transactions), groups the transactions by category, accounts for the GST tax rates, and creates invoices in the appropriate format. Students can be extremely creative here. They can used a wide variety of Python liararies to create user friendly applications such as games, software for their school, software for their disabled fellow students, and mobile applications, of course to do some of these projects, some additional learning is required; this should be encouraged. Students should know how to teach themselves.

The students should be sensitized to avoid plagiarism and violations of copyright issues while working on projects. Teachers should take necessary measures for this.

PRAYER

हम को मन की शक्ति देना, मन विजय करे

दूसरों की जय से पहले खुदको जय करें...॥धृ॥

भेद-भाव अपने दिल से, साफ़ कर सकें

दोस्तों से भूल हो तो माफ़ कर सकें

झूठ से बचे रहें, सच का दम भरें ।

दूसरों की जय से पहले ॥१॥

मुश्किलें पड़े तो हम पर इतना कर्म कर,

साथ दे तो धर्म का चले जो धर्म पर

खुद पे हौसला रहे बदी से ना डरे ।

दूसरो की जय से पहले खुदको जय करें ॥२॥

हम को मन की शक्ति देना, मन विजय करें ।

WE SHALL OVERCOME

We shall overcome, we shall overcome.

O deep in my heart, I do believe

We shall walk hand-in-hand someday

THERE SHALL BE SHOWERS OF BLESSINGS....

There shall be showers of blessings.

This is the promise of love.

There shall be seasons refreshing.

Sent from the savior above.

Showers of blessing, showers of blessing we need.

Mercy drops round us are falling, but for the
showers we plead.

There shall be showers of blessings

If we but trust and obey

There shall be seasons refreshing

If we let God have his way

ऐसे हों हमारे करम,

तेरा इन्सान घबरा रहा ।

हो रहा बेखबर कुछ न आता नजर

सुख का सूरज छिपा जा रहा ।

ताकि हँसते हुए निकले दम ऐ

जब जुल्मों का हो सामना,

तब तू ही हमें थामना ।

वो बुराई करें, हम भलाई करें,

नहीं बदले की हो कामना ।

बढ़ उठे प्यार का हर कदम,

और मिटे बैर का यह भरम ।

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

PRAYER

हम को मन की शक्ति देना, मन विजय करे

दूसरों की जय से पहले खुदको जय करें...॥धृ॥

भेद-भाव अपने दिल से, साफ़ कर सकें

दोस्तों से भूल हो तो माफ़ कर सकें

झूठ से बचे रहें, सच का दम भरें ।

दूसरों की जय से पहले ॥१॥

मुश्किलें पड़े तो हम पर इतना कर्म कर,

साथ दे तो धर्म का चले जो धर्म पर

खुद पे हौसला रहे बदी से ना डरे ।

दूसरो की जय से पहले खुदको जय करें ॥२॥

हम को मन की शक्ति देना, मन विजय करें ।

दूसरों की जय से पहले खुदको जय करें ।

हम को मन की शक्ति देना ।

WE SHALL OVERCOME

We shall overcome, we shall overcome.

We shall overcome, someday

O deep in my heart, I do believe

We shall overcome, someday

We shall live in peace, we shall live in peace.

We shall live in peace someday

O deep in my heart, I do believe

We shall live in peace someday.

We shall walk hand-in-hand

We shall walk hand-in-hand

We shall walk hand-in-hand someday

O deep in my heart, I do believe

We shall walk hand-in-hand someday

THERE SHALL BE SHOWERS OF BLESSINGS....

There shall be showers of blessings.

This is the promise of love.

There shall be seasons refreshing.

Sent from the savior above.

Showers of blessing, showers of blessing we need.

Mercy drops round us are falling, but for the
showers we plead.

There shall be showers of blessings

If we but trust and obey

There shall be seasons refreshing

If we let God have his way

ऐ मालिक तेरे बन्दे हम

ऐ मालिक तेरे बन्दे हम

ऐसे हों हमारे करम,

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

ये अन्धेरा घना छा रहा,

तेरा इन्सान घबरा रहा ।

हो रहा बेखबर कुछ न आता नजर

सुख का सूरज छिपा जा रहा ।

हे तेरी रोशनी में जो दम,

तू अमावस को कर दे पूनम,

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

जब जुल्मों का हो सामना,

तब तू ही हमें थामना ।

वो बुराई करें हम भलाई करें,

नहीं बदले की हो कामना ।

बढ़ उठे प्यार का हर कदम,

और मिटे बैर का यह भरम ।

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ

Continuous and Comprehensive Evaluation System for STD I & II

Dear Parents,

As per the CBSE guidelines the school will be following the Continuous and Comprehensive Evaluation system (CCE).

Introduction of this scheme is to nourish and nurture the many facets of the child's growth and to restore the happiness and joy of learning in the formative years of childhood.

The CCE scheme will help the learners to develop holistically in terms of personality by focusing on the co-scholastic aspects along with the scholastic aspects. It will also equip the students with life skills especially creative and critical thinking skills, social skills which will keep them in a good stead when they enter into a highly competitive environment in the future.

CCE scheme includes Formative and Summative Assessments.

Formative Assessments: It is used to monitor learning progress during instruction and to provide continuous feedback to both pupil and teacher concerning learning successes and failures. It includes assessment of paper - pencil test, assignments, projects, class work, homework, practical work etc.

Summative Assessments: The evaluation conducted at the end of an instructional segment is called summative assessments. It is designed to determine the extent to which the instructional objectives have been achieved. It is usually used for assigning course grades or certification.

For the continuous and comprehensive evaluation, a three term evaluation pattern will be followed, which is spread over the Academic Year as under.

(A) Term I - April to August

(B) Term II - September to November

(C) Term III - December to March

The students will get their Achievement Record after each term. The students will be evaluated in the following learning skills.

भेद-भाव अपने दिल से, साफ़ कर सकें

दोस्तों से भूल हो तो माफ़ कर सकें

झूठ से बचे रहें, सच का दम भरें ।

दूसरों की जय से पहले ॥१॥

मुश्किलें पड़े तो हम पर इतना कर्म कर,

साथ दे तो धर्म का चले जो धर्म पर

खुद पे हौसला रहे बदी से ना डरे ।

दूसरो की जय से पहले खुदको जय करें ॥२॥

हम को मन की शक्ति देना, मन विजय करें ।

दूसरों की जय से पहले खुदको जय करें ।

हम को मन की शक्ति देना ।

WE SHALL OVERCOME

We shall overcome, we shall overcome.

We shall overcome, someday

O deep in my heart, I do believe

We shall overcome, someday

We shall live in peace, we shall live in peace.

We shall live in peace someday

O deep in my heart, I do believe

We shall live in peace someday.

We shall walk hand-in-hand

We shall walk hand-in-hand

We shall walk hand-in-hand someday

O deep in my heart, I do believe

We shall walk hand-in-hand someday

THERE SHALL BE SHOWERS OF BLESSINGS....

There shall be showers of blessings.

This is the promise of love.

There shall be seasons refreshing.

Sent from the savior above.

Showers of blessing, showers of blessing we need.

Mercy drops round us are falling, but for the
showers we plead.

There shall be showers of blessings

If we but trust and obey

There shall be seasons refreshing

If we let God have his way

ऐसे हों हमारे करम,

तेरा इन्सान घबरा रहा ।

हो रहा बेखबर कुछ न आता नजर

सुख का सूरज छिपा जा रहा ।

जब जुल्मों का हो सामना,

तब तू ही हमें थामना ।

वो बुराई करें, हम भलाई करें,

नहीं बदले की हो कामना ।

बढ़ उठे प्यार का हर कदम,

और मिटे बैर का यह भरम ।

नेकी पर चलें और बदी से डरें,

ताकि हँसते हुए निकले दम ऐ
